

WINSLOW COMMUNITY CAR SCHEME

INFORMATION FOR DRIVER ENQUIRERS

Thank you for your enquiry about volunteering to drive for the scheme WCCS. It has now been running for 5 years and is a successful venture for the Winslow Big Society Group. We have almost 100 passengers registered some of whom are very regular users particularly those attending our many Big Society events. Others just use us in times of need, particularly for health-related trips to doctors, dentists, clinics etc. It is our success that means that we need more drivers to join the team of 20. Drivers need to live in Winslow.

The Aim: is to provide a weekday daytime transport service for the people of Winslow, unable to access other forms of transport, but able to use ordinary cars, to meet their requests for transport to local health providers and social purposes in Winslow and near villages.

How the Scheme Works:

- * *Passengers* call a central volunteer *Co-ordinator* with their request for a journey.
- * The *Co-ordinator* takes the details and advises pick up time charge (free for Big Society events)
- * A *Driver* is identified from the records by the coordinator and phoned to see if they can help. Once this is confirmed, the *Driver* is given the *Passenger*'s name and journey details.
- * The *Co-ordinator* calls the *Passenger* back and gives the *Driver*'s details.
- * The *Driver* fulfils the journey, takes the charge(if any), notes their mileage and keeps a record.
- * At the end of the month, the *Driver* puts a report/ claim form in to the *Co-ord.* giving all their journey details and claims the appropriate expenses at up to 45p a mile.

How to Apply: please fill in the application form provided; do ask if you have any queries with it. With availability, please indicate 'yes' times you are usually free or not or monthly events that you could help with. Remember you can always refuse to take on a trip when the co-ordinator calls. You can hand back or email your completed form to the person who provided it to you or Vron Corben, Big Society Group Chairman, vcorben1@gmail.com 37 Fair Meadow, W 712460

What Happens Next: the scheme organisers will read the form and let you know if you can be taken on. If yes, you will need to inform your Insurance company and be DBS checked (the new CRB).

Getting Started: once all the formalities are completed, you will receive a driver's manual, map and pack containing notepad, receipt book claim forms money bags etc.

Keeping in touch: every month a monthly e-newsletter is circulated to update drivers on developments, upcoming events etc. and from time to time there is a more general Big Society e-newsletter. There are also opportunities to meet other drivers and Big Soc volunteers.

WE ARE LOOKING FORWARD TO YOU JOINING US ON THIS SCHEME!
