What do we ask of you?

Please allow plenty of notice, at least 24hrs, and give as much information as possible when you book, be punctual, have the right money and remember the drivers are volunteers!

Oh yes - and give us feedback and ideas for the future to improve the scheme.

Who can be a driver?

Volunteers need to have their own car with insurance and be a good driver. Mileage expenses will be paid at up to 45p a mile. Local knowledge is useful!

Who is responsible?

Winslow Big Society Group* runs this scheme in liaison with various Community Transport Bodies. Contact the Co-ordinator on 07508 330750 for information.

In case of a general query or complaint about WCCS contact the WBSG Chairman on 01296 712460
