What do we ask of you?

Please allow plenty of notice, at least 24hrs, and give as much information as possible when you book, be punctual, have the right money and remember the drivers are volunteers! Oh yes – and give us feedback and ideas for the future to improve the scheme.

Who can be a driver?

Volunteers need to have their own car with insurance and be a good driver. Mileage expenses will be paid at up to 45p a mile. Local knowledge is useful!
